

1. Round us falls the night; Sav - ior, be our light.
2. Earth - ly work is done, Earth - ly sounds are none;
3. Bless - ed heav'n - ly light Shin - ing through earth's night:

Through the hours in dark - ness shroud - ed
Still our love thy pres - ence seek - ing,
Fa - ther who of love hath told us,

Let us see thy face un - cloud - ed.
Safe from e - vil in thy keep - ing;
On - ly Son, so strong to hold us,

Let thy glo - ry shine In these hearts of thine.
Phan - toms none to fear With thy Spir - it near.
Spir - it too we praise Through the length of days.
